Section Land Index

If you need specific historical books for research, please visit the Clerks at the service windows for assistance. You may request any book you need for research purposes by presenting your driver's license, which will be held until the book is returned. Once you have finished your research and returned the book, your driver's license will be given back to you.

Please note that Section Land does not have a Plat Book and Page. Instead, these documents were indexed by Section, Township, and Range. This index serves as a guide to direct you to the appropriate large books, which contain the list of documents recorded for each section.
